

**CUSTOM DRAPERY PROGRAM**

Draperies are the perfect way to enhance and complete your home's interior, and IBB Design is proud to announce our expanded Drapery Panel Program to assist you with those finishing décor decisions. We teamed up with our most trusted suppliers to offer a comprehensive collection of fabrics, trims and drapery hardware at competitive prices. Our customers can now look forward to saving up to 40 percent off MSRP every day of the year.

The fabric collection includes linen blends, cottons, velvets, stripes, prints and embroideries in a wide range of colors and patterns. Trim tapes are also available as a design detail in several patterns and colors to grace the lead edges of your drapery panels.

We are proud to have our draperies manufactured in our very own in-house workroom and include professional installation services. Let us take the guesswork out of custom draperies for you; we will even do the measuring for you.

Drapery panels can be the finishing touch to a home's design, offer a soft touch to windows with blinds or shutters, or update the color scheme in any room.

#### **IBB DESIGN DRAPERY PROGRAM INCLUDES:**

- 18 FABRICS IN 95 COLORWAYS
- 7 TRIM PATTERNS IN 34 COLORWAYS
- 4 POPULAR PLEAT STYLES
- 2 LINING OPTIONS
- 4 LOCALLY-SOURCED HARDWARE COLLECTIONS
- PROFESSIONAL MEASURING & INSTALLATION
