

Win This!
Noelle Natural Double
(\$375 Value)

You've seen how I've given this space two different personalities simply by swapping out a few textiles, artwork, colors, patterns, and a couple of choice accessories. With these tricks in mind, I want to see what you can do! Design and color the drawing on this page to create a new space of your own! Grab your markers, coloring pencils (and maybe a glass of wine), and show me how you would bring this space to life! Once you've finished, snap a photo and post it to your Instagram tagging **@jorya.gattis**, **@ibbdesign** and **#jorysdesignchallenge**
