IBB Design Fine Furnishings

Shay Geyer, designer and owner of IBB Design Fine Furnishings, is passionate about interiors and interior products, creating beautiful and luxury spaces for clients. Mostly known for her balanced use of color, pattern, and texture, clients rave about her ability to transform a house into a welcoming, happy home. Her design mantra is to create an inviting atmosphere that reflects the personal taste and lifestyle of each client.

According to Geyer, “The mark of a really good designer isn’t pinpointed to one specific aesthetic but instead their ability to design for each individual client. It’s all about the look and the quality, and how that room is going to function for them. The key to harmony at home is to live amongst what you love.” Geyer has assembled an award-winning team of talented designers who are experts in custom-tailoring interiors. IBB Design, five-time winner of Best Furniture Store in the United States, encompasses 90,000 square feet of a diverse mix of name-brand home furnishings, luxury home décor, and accessories available for immediate delivery. Together, you get an interior design power house!
