All About the Mix

Beautiful, classic furniture pieces are given the credit they are due. By mixing them with cleaner lines, mix of materials, and vintage pieces. Creating a curated look is what **Kathy Adams** designers specialize in, working with your existing items. *kathyadams.com*

Brown Jordan

Using luxuriously thick yacht rope as a key design element, Milan-based designer Toan Nguyen created a stunning debut collection for **Brown Jordan** inspired by the lines and angles of the letter "H", the first letter of the Spanish word "Hoy" meaning "today." 1405 Turtle Creek Boulevard, Dallas, TX; 214.651.9509; brownjordan.com
