IBB Design Fine Furnishings is renowned for its bespoke approach to interiors, crafting luxurious spaces that blend style and function. The award-winning team creates timeless, livable interiors—transforming houses into warm, inspiring homes that reflect each client’s lifestyle. “The mark of great design isn’t defined by a singular aesthetic but by the ability to curate spaces that feel personal and intentional,” says Shay Geyer, CEO and designer. “It’s about the look, quality, and most importantly, how a space functions for those who live in it. True harmony at home comes from surrounding yourself with what you love.”

A trusted leader in luxury interiors, IBB Design is home to a team of 37 expert designers specializing in customized, full-service solutions.
